3. How to find an Australian Apprenticeship opportunity

A simple and easy, step by step guide to help you find an Australian Apprenticeship opportunity.

Australian Apprenticeships Job Pathways

Step by Step Guide to help you find an Apprenticeship

- Step 1** Use the Australian Apprenticeships Job Pathways website (<http://www.aajobpathways.com.au>) to look at the range of Australian Apprenticeships options available. Make sure that you "select your State or Territory" to get information relevant to where you live.
- You can search for potential Australian Apprenticeships "Job Descriptions" using several methods: by industry groups; by trade occupations; or you can get a good overview of Australian Apprenticeships pathways by looking at the Australian Apprenticeships Job Pathway Charts for the industries you are interested in.
- The Job Pathway Charts cover many industries showing potential Australian Apprenticeships jobs. You can usually click on a job title to get more detail such as the things you will learn during the Australian Apprenticeship.
- Print copies of the Job Descriptions and the Job Pathways Charts for the Australian Apprenticeships you are interested in, and add them to your job applications.*
- Step 2** Use the Yellow Pages Directory (hard copy or via the internet at www.yellowpages.com.au) to get a list of local employers (including their address and telephone number) who employ people in the Australian Apprenticeships you are interested in. You should also use your own friends and family networks to see if they have any employer contacts in the fields you are interested in.
- Step 3** Contact the employer by telephone and ask for (and write down) the name of the person responsible for hiring new staff and their job title. You should also check the address where this person is located and if possible ask for the person's email address.
- Step 4** Contact your local Australian Apprenticeships Centre and request a copy of the general promotional material they use to promote Australian Apprenticeships, including employer incentives and the help they offer employers who are employing Australian Apprentices.
